

WHY IT MIGHT HELP TO CHAT TO DLR VC

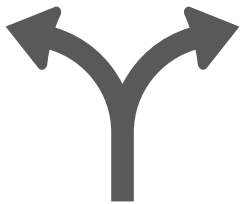

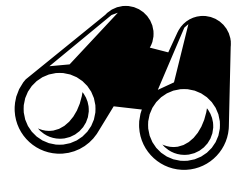

To meet the Volunteer Centre

- To understand how we work.
- Meet the Team.
- Learn what we do and how we can help you.

To explore how volunteering might work for you

- What type of volunteering?
- What interests you?
- How often?
- Where?
- For how long?
- Alone or with others?

How to get started?

Sometimes we don't know where to start...and that's where we feel a friendly chat might help. Wherever you are on your volunteering path is irrelevant, we are available for a chat to help you along the way.

The call

We can talk to you on the phone or by video (your choice).

We can go through any/all of the following:

- Your registration form
- Why and what type of volunteering you would like?
- Help you search for and apply for roles.
- Answer other queries you have.

Feel a call might help? Email your details to placement@volunteerdrlr.ie and we'll get back to you.
